Subject: **Fifth Avenue Spot Excavations and Traffic Control**

Dear Business Owner,

The City of San Diego will be performing spot excavations to the roadway at various locations on Fifth Avenue between K St and Broadway. These excavations are necessary for locating underground utilities and preparing the street for future infrastructure projects. To safely perform this work, The City will be closing segments of 5th Avenue on different days during February 2023. Closures will begin around 7:30 AM and end at 3:30 PM. Traffic control will be provided in the affected areas. The schedule for closures is as follows. Any changes to this schedule will be communicated through the Gaslamp Quarter Association:

<u>Segment Closed to Traffic</u>	<u>Date of Closure</u>
Fifth Ave. between K St and J St	Monday, February 6 th
Fifth Ave. between J St and Island Av.	Tuesday February 7 th
Fifth Ave. between Island Av and Market St	Wednesday February 8 th
Fifth Ave. between Market St and G St	Thursday February 9 th
Fifth Ave. between G St. and F St	Friday February 10 th
Fifth Ave. between F St. and E St	Monday February 13 th
Fifth Ave. between E St and Broadway	Tuesday February 14 th
